2 400 EUR

Period : 19th century

Condition : Parfait état

Material : Marble

Width : 40

Height : 72

Depth : 18

Description

Triptych clock in Siena yellow marble with bronze sculptures and French marble and bronze candelabra from the first half of the 19th century in the Empire style. The bronze sculptures symbolically depict a man in a tunic with a thick beard and a child, representing the passage of time, with serpent-shaped hands decorating the dial.

Clock dimensions: 40x18x72h

Sculpture: 35h
