Description

Ottoman horseman by Noel Dieudonne FINARD 1797-1852. This painting in perfect condition on its original canvas, is the counterpart to another of the same subject, mirrored and the same dimensions signed and dated 1828, sold by the Tajan auction house in Paris on September 24, 2020. Note that it is quite common, concerning a pair of paintings, for only one of the two works to be signed and dated.
