

Wax Mould For Spingerle Biscuit

220 EUR

Period : 20th century

Condition : Bon état

Material : Wax

Width : 21

Height : 48

Depth : 3

Description

Beautiful wax cast taken from a splendid wooden matrix used to make pushers (traditional biscuits made in the border area between France and Germany, but also in Austria). The panel represents a hunter elegantly dressed in period clothing between the 17th and 18th centuries and stands out for its considerable size (48*21). 20th century object, not antique, but very decorative, it can be hung using a string
