Width : 33 cm

Height : 41 cm

Description

Landscape of the Arcachon basin signed J. G. Tison, circa 1900. The work bears the mention on the back "Taussat Crépuscule au Port", which precisely locates the work in this small (and wonderful) village of the Arcachon basin where he stayed also Toulouse Lautrec.

This twilight reveals a scene at the port, with rigging mooring and figures in movement. Very charming work of the basin presented in its frame.
