Description

Pendant in 750/°° white gold (18 KT, owl hallmark) adorned in its center with a large cabochon emerald one centimeter in diameter whose round shape is highlighted by a closed setting. This beautiful emerald is embellished around its edge with numerous diamonds, of various cut shapes, namely: 7 round brilliant cut, one pear cut, 5 shuttle cut, 2 triangles, 2 baguette cut, and a large cushion on the bottom. The pendant's bail is also paved with diamonds. The arrangement of the diamonds, in mesh on prong settings, allows this large pendant to remain airy. The different cut shapes of the diamonds allowed an asymmetrical and graphic rendering. This pendant is accompanied by its filed cable link chain, closed with a carabiner. Its length can be modified or arranged in our workshop (contact
