

## Ancient Agate Confetti Signet Ring

4 100 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

### Description

Vintage signet ring whose frame with geometric lines presents a rectangular top set with a "confetti" cabochon agate. On both sides, the start of the ring is decorated with a trapezoidal motif. Period: 20th century Main material: yellow gold, 750 thousandths, 18 carats. Proportions: Height: approximately 16.4 mm, width: approximately 2.3 cm, thickness: approximately 4.5 mm, width of the ring at the base: approximately 6.5 mm. Net weight: approx. 13.9g. Antique jewelry - Work from the 1950s. Our opinion: "Confetti" agate is a natural agate which presents a set of inclusions largely made up of copper forming unique, random decorations, like a contemporary canvas. Possible size adjustment, contact us. To find out more Discover the product sheet for this Antique
