Description

Extraordinary glass chandelier
Structure composed of a long cylindrical stem with a large cup at the bottom with a diameter of 50 cm. and a second smaller one with, respectively, six and three lights.
Decoration made with sixteen curled leaves in the lower cup; twelve hanging leaves and six facing upwards in the upper cup.
cm. 130×80 approx.
Murano, Barovier manufacture, 1939

The chandelier comes from an elegant residence in Lucca and came into the possession of the previous owners as a wedding gift in 1939.

Extraordinary object for rarity, quality, elegance in workmanship and state of conservation
