Description

Chaise longue also called duchess from the Louis XV period stamped by Jean Nadal. In solid oak, soberly carved, good condition of the woodwork showing traces of old restorations.

Fabrics in used condition, with unstitched parts and a tear in the middle of the seat (visible in the photos).

Jean Nadal stamp on the back on the I.NADAL belt with the characteristic N upside down. Work around 1750.

Jean Nadal is the oldest of a family of Parisian carpenters. The date of his master's degree is unknown. He was established on rue de Cléry and according to certain sources, it is believed that he was still carrying out his activity in the last years of the reign of Louis XV. Many seats, of good
