### Description

A set of 6 large Soufflès absinthe glasses, cut and engraved... The size is ribbed, a classic of the genre... Taken from the CATON model... In several hot-glued parts (stem and rim) In good condition, small manufacturing defects (bubbles, impurities...) This series is rare because I have never encountered a suite in this size... And of good quality From the end of the 19th century FRENCH manufacture I have in addition 2 x 2 glasses also big with small differences...(engravings and height...) Photos on request Placed on a table it's imperceptible... The engraved line was to delimit the quantity of alcohol that was served ... Weight...3 kilos 471 gr for 6 glasses
