

Collector's Knife

300 EUR

Period : 19th century

Condition : Bon état

Material : Metal

Length : totale 31 cm, du manche 16,5 cm, de la lame 14,5 cm

Description

We present this collectible 19th century Spanish switchblade knife. The blade is very ornate on one side and it is signed on this ornate side where "Recuerdo de Mallorca" is mentioned. When open the blade has some play but that's not serious. The handle is mother-of-pearl. (E23)
