### Description

An anonymous painting of fine painterly quality with an Alpine mountain arc in the background, cattle grazing in the foreground and a village (unidentified) in the middle of the landscape. On the reverse side there is a watercolour on an autonomous paper support, the subject of which appears to be a Tuscan villa with a beautiful Italian garden; probably the 2 works are not by the same painter and can therefore be separated.

19th century frame, external dimensions  
37x29cm
