Description

Discover our Art Deco Brooch, an exceptional piece that fuses history and contemporary refinement. Carefully crafted, this brooch is adorned with 4 fine half-pearls, creating a visual symphony of luminosity. The luster of the half pearls is beautifully accented by deep blue enamel, adding a modern twist to the classic Art Deco aesthetic. Every detail of this brooch has been designed to reflect the grandeur of the Art Deco style, while preserving an aura of finesse. The 18k Gold setting offers a finishing touch of luxury, enhancing the natural beauty of the half-pearls and creating a contrast with the blue enamel. This brooch thus becomes much more than a simple accessory; it embodies the expression of elegance. The secure clasp is designed to wear the brooch without fear in all
