Description

Discover the timeless elegance embodied by our 18-karat yellow gold bracelet, enhanced by a plaque engraved with hieroglyphics, enhanced with a captivating blue tint. Every detail of this jewelry tells a story of fine craftsmanship and sophisticated style. The 18-carat gold bracelet, a resort piece from the 1940s and 1950s, is decorated with a geometric decoration in the shape of a labyrinth. In the center of the bracelet, the blue enamel plaque features Egyptian hieroglyphs. The purity of the 18 carat is attested by the eagle's head hallmark, a symbol of quality and durability, which guarantees the value of this accessory. A second mysterious hallmark adds a touch of intrigue, creating a link between the ancient world of hieroglyphics and the modernity of contemporary design. Wear this bracelet with
