Important Porcelain Aquarium, China - Late 19th Century

1 400 EUR

Period : 19th century

Condition : Parfait état

Material : Porcelain

Diameter : 44

Height : 49.5

Description

Large aquarium in polychrome enameled Chinese porcelain. It is decorated with traditional Chinese scenes in cartouche on a background of friezes, flowers and scrolls in colors of charron blue, cornflower blue, champagne yellow and adrinople red. This magnificent aquarium has an interior decorated with four golden crucian carp, commonly called goldfish, swimming together among the algae. The edge is also decorated with flower garlands. This aquarium is presented on its quintipod mahogany base. Whether or not it accommodates your favorite fish, this aquarium will make a wonderful decorative object in a chic and neat interior. ******** Period: Late 19th Century Excellent condition.
