

## Beech Office Armchair, Thonet Spirit - Early 20th Century

1 900 EUR

Period : 20th century

Condition : Parfait état

Material : Solid wood

Width : 56

Height : 90

Depth : 50

### Description

Swivel armchair in curved beech, adjustable in height, whose seat and curved back are in canework and in perfect condition. The curved wooden armrests are an extension of the backrest. Below, the seat is supported by an element of four thick wooden branches, fixed on a screw thread allowing the height adjustment of this seat. The foot is made up of a central shaft from which four double concave and moving wooden elements extend for perfect stability and solidity. Functional armchair, not imposing, very stable and offering great robustness, this beech office armchair is designed to last over time. Notice to amateurs. \*\*\*\*\* Period: Early 20th Century Excellent condition. "raise & lower" screw system without play Varnished finish. Delivery possible, in France and Europe, by our partner
