Description

Discover our Acha Watok watch, a piece that combines sophistication and functionality. The 19mm gold-plated case gives this watch a touch of luxury, while its mechanical movement ensures precision. The decoration of the case of this watch gives it a pretty, very feminine look and is also equipped with a leather strap. This leather bracelet, with a length of 19 cm, offers optimal comfort while adding a touch of refinement to your style. The pin clasp guarantees a secure hold, while the total weight of 15 g makes it a light and pleasant watch to wear every day. The bracelet is lined with premium leather. The stainless steel caseback adds extra durability to this timepiece, ensuring quality that stands the test of time. With the Acha Watok watch, enhance your wrist and let yourself be carried
