Description

CESAR (César Baldaccini) (1921 - 1998), French sculptor

Insect, 1979

Drawing in colored pencils and white corrector, 19 x 15 cm (at sight). Signed and dated (1979) upper right. Drawing made by the artist to explain work done on a bronze Provenance: Galerie Ferrero in Nice (label on the back of the frame). Jean Ferrero, a famous Nice merchant, founded his gallery in 1973. He witnessed the birth of the Nice school, of which he became one of the most fervent promoters. In 2016, he bequeathed 853 works from the Nice school to the city of Nice, thus giving a unique vision of these artists who were César, Arman, Ben Vautier.
