Description

Nice lot, from the sheds of an old antique dealer in our region, for sale together, no separation:
Purse from silk velvet and silver embroidered laces, interior red lambskin, a little worn,
contains a lot of 4 bronze hooks with openwork figures for hanging watches or miniatures, which were nailed to furniture and woodwork: musician, monkey handler, return from hunting, flower bouquet,
and bronzes without hooks: small horn blower, angel with flute, and great vestal virgin.
The 7 bronzes and purse are from our French restoration period, circa 1830.
Good condition, nice work, but non-negotiable price.
This item is for immediate purchase, payable by credit card or paypal.
