Description

Discover our Lip Women's Watch with a square case decorated with floral arabesques in 18-carat gold measuring 19 mm. This refined piece embodies the perfect marriage of sophistication and minimalism. The white dial, adorned with Arabic numerals and stick hands, offers optimal readability while adding a touch of grace. The beige leather bracelet (slightly damaged over time but never worn), with a length of 17 cm, delicately wraps the wrist, providing comfort and style at every moment. The combination of the lustrous gold case and the leather strap creates visual harmony, highlighting the beauty of this Lip watch. The daily winding mechanical movement offers a step back in time. With a total weight of 18.4g (including 15g of gold), this lightweight watch becomes an ideal daily
