Description

Superb and elegant early 19th century console in painted wood. It is based on a square base and a rounded base topped with a square baluster base on the front and straight on the back. On the front there is a drawer matching the molding and the whole is topped with Saint Anne gray marble. The whole is covered with its original paint, chiseled bronze pull handles decorated with garlands of flowers and squirrels. This console has superb proportions to fit into any type of interior, quality workmanship in very good condition.
