Child Jesus On Earth, Blessing The World, Reconstructed Stone Statue Early 20th Century

980 EUR

Period : 19th century

Condition : En l'etat

Material : Stone

Height : 82 cm

Description

Large life-size statue in reconstituted stone on a marble base and a second stone base representing the child Jesus, savior of humanity.
the child Jesus appears life-size in full swing, rushing into the clouds to bless the earth represented by a globe on which he rests.
a beautiful, quite unusual representation of the child in old reconstituted stone dating from the end of the 19th and beginning of the 20th century.
beautiful old patina, two fingertips are missing from the right hand, good general condition.

a beautiful statue that can find its place both indoors and in the garden.

It's already a bit of the Christmas spirit, think about your gifts, even the most unexpected!
