Description

Émile Bouche Frame in carved and gilded wood
Format 5F (rebate 37 x 28cm) Period Mid-20th century Total dimensions: 49 x 40cm Frame in carved and gilded wood. The reverse bears the Master's stamp as well as the trace of the master's label. Émile Bouche If we can link his production of frames to the fashion for frames known as Montparnasse produced in this district in the middle of the 20th century, Émile Bouche offers us a much more specific and original production. Our frame clearly illustrates this vogue for the Orient as can be found in the paintings of Jacques Majorelle Condition report: Very good general condition, small visible gaps
