

## Pair Of 18th Century Angels In Polychrome Wood

550 EUR

Period : 18th century

Condition : Etat d'usage

Material : Painted wood

Height : 25 cm

### Description

Elegant pair of 18th century angels in polychrome wood. They rest kneeling on a base representing clouds, dressed in a blue tunic, they have one arm stretched towards the sky and the other stretched behind their back with their wings. Popular work having kept its original patina and in good state of conservation considering the period.
