Dressoir Nineteenth And Ivory Inlaid Medieval Setting

7 500 EUR

Period : 19th century

Condition : Bon etat de maison

Width : 144

Height : 192

Depth : 66

Description

Dressoir the early nineteenth s walnut, inlaid treated to medieval decor (walnut wood and stained) and ivory inlays, on the theme of hunting monkeys and ducks with crossbows. Beautiful decor in each door with foliage and putti. Furniture in two bodies, body upper arches supported by columns with capitals. Functional piece of furniture that will complement all very decorative houses of character. Originally from northern Italy or the Rhine Valley. Good house: small wear on the ledge at the top left, a glued spine.
