### Description

The real feeling of cold and the real light of a winter landscape under the snow at dusk by French artist Joseph Million. The work is made in oil on canvas, it is signed lower right. In its good original condition (no cleaning or restoration), it is offered in a wooden frame from the 1950s with a light patina which measures 61 cm by 70 cm and 46 cm by 55 cm for the canvas alone. It represents a cart and people on the snowy path of a village at dusk. A subtle, sensitive and soothing work, with fair and soft colors, for lovers of snow landscapes.
