### Description

Beautiful pair of gouaches on a black background. They represent two opulent bouquets of flowers, one in a vase, the other in a basket. The vegetation is treated with great realism, it would be easy to name each flower (roses, fritillary, parrot tulip, bellflowers etc...). The black background brings extra elegance and a lot of depth. Very careful 20th century framing. These paintings were produced at the end of the 19th century. Signature lower right to decipher. Please note: these paintings are in very good condition. The inside of the glasses could use cleaning, we have not removed the frames. Please look carefully at the photos. Dimensions (identical for each painting) at sight: Height: 19 cm Width: 13.5 cm Total dimensions: Height: 29.5 cm Width: 24 cm Shipping costs for France
