### Description

Important fireplace trim in the Louis XV rocaille style Napoleon 3 19th century period. Set in finely chiseled gilded bronze, comprising a clock and two candelabra with four arms of light. Clock decorated with eventful architecture decorated with foliage. Decorated with openwork parts, covered with plaques carved with plant motifs, vine leaves, foliage and Bacchus. Inscription on the back on the movement: "Viteau in Paris", and bears a number 113. Bronze dial set with twelve enameled cartridges, all protected by a bezel equipped with a beveled glass. Pair of candelabra with rococo base and shaft supporting putti, a vine branch garnished with a bouquet of five-branched lights.
