

Important Park Grids - Louis XIV Period

5 800 EUR

Period : 17th century

Condition : Prévoir restauration

Material : Wrought iron

Width : 4 mètres

Height : 4 mètres

Description

Large park gate from the Louis domain with perspective.

Good general condition, excluding usual restorations.

Old-fashioned beaten steel not corroded by rust except for a few very minor points.

Repairs to be made:

- 2 vertical bars to change, we have some in stock at the right length (delivered with the grid)
- 2 vertical bars to straighten left and right
- Low defense bars to stop stray animals were placed between the main vertical bars. They are to be removed.
- A termo-lacquering will clean and forever finalize painting in the desired color
- Lock to be changed
- Hinges in good condition

- Support lugs and rotation in good condition.
- The horizontal frieze, typical of the 17th century, is in perfect condition, only dirty with old paint.

Our usual ironworker can take care of the restoration on estimate.

Our carrier can offer a delivery quot. (We do not take any margin on shipments)

At your disposal for any additional information, photos, etc.

With a little delay, we can combine this grid with a pair of stone pillars on additional request.
