Description

Pair of regency style gilt bronze wall lights with 3 arms of light. Decorated at the top with scrolls of acanthus leaves surrounding a head crowned with solar rays under which fruit branches hang against a background of mercury mirrors. At the bottom the 3 arms of lights, the central arm coming out of a shell, the decor ending with a drapery emblazoned with pompoms.

Work from the Napoleon III period, our wall lights are presented in all their original gilding.

Electric rises.

Height 58cm. Width 42cm. Depth 27cm.
