2 900 EUR

Period : 19th century

Condition : Bon état

Material : Crystal

Length : 13cm base

Width : 13cm base

Diameter : 36cm

Height : 61cm

Description

Pair of Swedish Gustavian style girandoles with three lights. The large crystal dagger cut with scratches bears at its top an arrow surmounted by a very luminous lens. It rests on a blue crystal barrel cut with 16 facets, which rests on a marble base with 2 tiers highlighted with bronze beads. Rich chains of almonds and old crystal mirzas animate the different levels of water jets.
