Description

Superb hexagonal mirror from the mid-20th century. This mirror is wildly original with its atypically shaped wooden frame. It is decorated, on both sides of the ice, with patterns of pink flowers on a green background. It is in very good condition, with a beautiful white paint which, with these few gaps and its patina, gives it a beautiful shabby chic spirit. The mercury glass is beveled all around. It is in excellent condition with some stitching for maximum authenticity. The parquet flooring is healthy and original. This mirror will not go unnoticed, it is undeniable, it will be perfect for decorating an entrance or a bedroom.
