Description

This Courjault vase is a unique piece in his Cerisaie workshop. It features semi-abstract floral motifs characteristic of his style at that time.

Jean-Claude COURJAULT (born in 1940) is a ceramic artist who studied at the Beaux-Arts de Bourges where he trained with the duo Jacqueline and Jean Lerat. He then participated in the Keraluc adventure in Quimper after having collaborated with the Breton earthenware factory, he opened his own workshop at the "Cerisaie" in 1975. Claude Courjault is a painter who notably collaborated with the Breton earthenware factory of Keraluc, signing unique pieces with the words "Diplômé des Beaux-Arts" and his name on the side.
