Description

Bronze sculpture from the end of the 19th century to the beginning of the 20th century representing a young fisherman by Giovanni De Martino. Very beautiful sculpture, imposing in its size, height 69 cm, and its quality of execution where we can feel all the modeling of the artist. Signature on the basis of the artist born in Naples in 1870 and died in the same city in 1835. He worked very young in Paris where he exhibited regularly at the Salon. His favorite subjects are childhood and particularly young fishermen. It is nicknamed .lo scultore di bambini.. Very beautiful intact patina on the entire piece. Possibility of sending in France and throughout the world by professional carrier and by secure package.
