Description

We present this unsigned oil on canvas work which was exhibited (No. 145) in the past. It comes directly either from Tony TOLLET, Lyonnais artist or from his daughter Marie Louise CHABERT des NOTS, in all cases work returned to our possession from Isabelle (Bella) daughter of Madame CHABERT des NOTS who became Madame de CURRAIZE family of the Forez plain. This oil on canvas would a priori be by Tony TOLLET and the two children represented would for us be Marie Louise CHABERT des NOTS teenager her eldest daughter holding in her arms perhaps Colette the 6th child of Tony TOLLET we do not certify it but we think so.
