Description

You will note that this cooler was probably repainted later, in terms of the red paint but also the gilding. It is old, but the patina is not original. As for the condition, note lack of paint, scratches and friction, oxidation of the metal on the rings. This cooler remains in presentable but not perfect general condition. Our photos allow you to appreciate the quality of the object. For the condition, please detail the photos. Feel free to zoom in. The photos are an integral part of the description.
