

Cut Crystal, Double Flask Ammonia Salts & Perfume, Silvered, Gilt Mounting, 19th Century

245 EUR

Period : 19th century

Condition : Très bon état

Material : Crystal

Description

Very interesting, precious bottle or flask, with two compartments, in cut crystal. In each, there was... Either the perfume, with a snap button opening, or the ammonia salts with a screw cap (slightly tired). Mountings and caps, in materials that I would describe as silvered and gilt metal due to the absence of hallmarks, are in my opinion probably Vermeil (gilt silver).. And are decorated at the top with an interlaced monogram, carving of good quality..

A beautiful showcase object, curious and genuine !

Very good general condition, except for: wear on the silvering and gilding, screwing part is a bit tired.

European working, probably French, dating from the second part of the 19th century, Circa

For each purchase, you will find an invoice for the total amount less shipping costs, as well as my business card, to attach with it. My packages are studied for each object, and protected as required with professional and/or recovery materials. Objects worth less than 1000 euros will be taken care of by colissimo. Items worth between 1000 and 5000 euros will be handled by Chronopost. I can also arrange hand delivery for certain items to be delivered to Paris and French merchant unpackings and those exceeding 5000 euros, otherwise I would use a carrier.
