

Terrestrial Globe G. Thomas, Between 1925 And 1935

500 EUR

Period : 20th century

Condition : Bon état

Material : Plaster

Diameter : 32 cm

Height : environ 56 cm

Description

This desk globe made of plaster, paper, wood and metal can be dated thanks to changes in toponyms on a global scale. Thus, Iran on our globe has not yet become Persia (which will happen in 1935) but Norway has already changed the name of its capital Kristina to Oslo, which dates precisely from January 1st, 1925. Note a accident at the south pole for this globe in good general condition.

Delivery worldwide.
