### Description

Old 18th century painting, oil on canvas mounted on wooden panel, representing a charming animated scene of a man and a young woman carrying a basket of fish. The diffusion of light is very gentle, the attitude of the characters and the emotion that emerges from the whole is reminiscent of a good hand of French painting of the period. The mounted canvas follows the defects of the panel and reveals its reliefs on the right part of the work. In a beautiful 18th century gilded wood baguette. Total dimensions 35 cm x 28 cm, view 31 cm x 24 cm
