Watercolor Magic 1931 A. Robert

650 EUR

Period : 20th century

Condition : Très bon état

Material : Paper

Description

BUSINESS IS BUSINESS Amusing watercolor drawing dated 1931 representing William II surrounded by various files including the BLANTIÉ affair and one marked: Bédides gommizions, an iron and magic accessories for the bonneteau (ball and cups) . It is undoubtedly an illustration project for a political newspaper about a scandal of the time that I have not identified. Beautiful frame 34 x 46 cm
