

Statuette Of Child Or Putto Fisherman In Bronze 18th

750 EUR

Signature : Inconnu

Period : 18th century

Condition : Etat d'usage

Material : Bronze

Height : 16,5

Description

Astonishing statuette circa 1750-1780 representing a putto fisherman preparing to cast his fishing net.

patinated bronze which has a good copper content.

plinth on a period marble base.

Note some normal wear and tear, normal for a statuette that we love to touch and handle. on the back a bronze piece is screwed, perhaps this putto was originally winged. height of bronze without marble 13.2 cm. Delivery possible by registered colissimo with insurance and delivered against signature for:

France 20EUR

Europe 35EUR

Rest of the world 50EUR
