Description

Charming painting representing a colorful landscape of the Basque Country, probably in the Grazi-Balgorri region. This bucolic scene highlights typical farms, nestled at the foot of steep cliffs. The work, bathed in shimmering colors, demonstrates a sensitive outlook and a certain mastery of regionalist figurative art. Oil painting on hardboard, signed lower right *Lhosmot*. Unlisted painter, circa 1940-60. After some research, it could perhaps be Dr. Pierre Lhosmot without certainty, however, a committed humanist, a tribute was paid to him by the Basque painter Irkus Robles, suggesting a possible passion for art. This unique work will delight lovers of Basque culture. This painting will be a piece of choice to enhance a warm decoration or enrich a collection of regionalist art.
