Description

An exquisite duck figurine in sparkling Baccarat crystal, etched with their trademark seal on its base, along with 'La Tour d'Argent, Paris'. This model of duck was created exclusively for the historic restaurant of that name located on Quai de la Tournelle in the 5th arrondissement of Paris, by the 20th century artist Thomas Bastide. The design celebrates the Michelin- starred restaurant's signature dish of pressed duck (Canard à la presse), for which it is world renowned. This iconic ornament is impressively crafted and would make an exceptionally stylish paperweight, or gift for any lover of fine French dining.
