Description

Superb very large religious panel in carved oak wood with religious decoration representing a Pietà, the representation of Mary holding on her knees the body of her son Jesus Christ at the time of the descent from the cross. It is most certainly an altarpiece tympanum. High relief sculpture with very nice depth. In the corners, haired and winged angels watch the scene. In the center, Mary and Christ. Very beautiful workmanship in oak from the 18th century. A hook allows you to hang it on the wall. Very decorative work. Delivery by carrier 100 euros in France, 200 euros in the EU and 500 euros rest of the world.
