Cobalt Blue Porcelain Vase From The Manufacture Nationale De Sèvres Dated 1913 Bottle Shape

590 EUR

Signature : Manufacture nationale de Sèvres

Period : 20th century

Condition : Très bon état

Material : Porcelain

Diameter : 17

Height : 29

Description

Bottle-shaped vase with a broad base, in porcelain covered with a very uniform oven/cobalt blue enamel without nuance, very deep, enhanced with threads of pure gold gilding at the foot and neck.
This vase is more than 110 years old and its shape and enameling make it as easy to integrate into both an old and modern interior.
Marked below and dated 1913.
Good general condition, few scratches, just small wear at the end of the foot and a little wear of the blue visible at the bottom of the collar in the last photo.
An other vase to Sèvres but bigger is available, please to look my gallery.
Delivery possible by registered colissimo with insurance and delivered against signature for:
