

The Argument When Getting Off The Cab.

280 EUR

Period : 19th century

Condition : Très bon état

Material : Paper

Width : 23 cm cadre compris

Height : 33 cm (cadre compris)

Description

pretty little scene of daily life in the 19th century, well framed originally in a 17th century Italian baguette recut at the time. A bourgeois attacks an elegantly dressed young man while loading (or unloading....) a large sedan, carrying blasons. The scene takes place at night, in view of the various lanterns that the protagonists carry. The whole is intact, never opened since the beginning of the 19th century.
