Description

Beautiful and large miniature painted on ivory in its original frame representing a young woman in a silk dress. Maybe an engagement portrait. Very high quality for this painter who was the master of his time in the field of miniatures, student of Aubry and Isabey. Executed around 1830. The frame is a little faded with small gaps. Frederic Millet 1786 1859. Frame 30X34 cm At sight 12X18 cm
