Description

Wall light designed by Giacomo Benevelli (1925-2011) for Missaglia publisher circa 1970. Brushed aluminum support topped with a chrome steel knot, switch in the frame. Giacomo Benevelli has been recognized both for his career in museums and international exhibitions and for his talents as a sculptor and designer. He also designed the Arabesque and Roto lamps between 1960 and 1970. More recently, he collaborated with the Natuzzi brand and presented his latest creation, among others at the AD Home Show in New York... Today his creations are preserved within from museums such as the British Museum in London or from private collections. Two LED silver head bulbs, E14, included. L 55 CM X 13 CM X H 30 CM. There is a switch under the frame (see photo).
