Description

PIERRE CASENOVE (20th century) Large candlestick in gilded leaf metal, frustoconical base, quadrangulated shaft, ringed at the base and animated in the upper part with a heart crowned with a stylized dove. An electrified candle holder. (not signed by the artist, note: often sold in pairs, only one signed out of the two, which explains why our ex copy is not signed.) we report a crack on the base of our lamp, provide a restoration, it holds perfectly, but we would like to point this out to you. ps: deal to be grabbed, in fact, the last two photos show you a sales result for a pair of similar lamps, the price is multiplied by four. High. 46.5cm A pair of gilded metal candle holders, one is electrified. Signed by the artist and by the founder Fondica, one is dated '94. Height.

18 1/4 in.
