

"18k White Gold Necklace Set With Diamonds."

11 500 EUR

Period : 20th century

Condition : Parfait état

Material : Gold

Description

18 carat white gold necklace set with diamonds
Material: 18 carat white gold Weight of gold: 18 grams Type of diamonds: Brilliant diamonds with a total mass of 3.17 carats Briolet diamonds with a total mass of 8.58 carats This appears to be a luxurious and elegant necklace, with a combination of brilliant diamonds and briolets. Brilliant diamonds are often used for their sparkle and brilliance, while briolet diamonds are elongated and cut to uniquely reflect light.
