Description

This samovar responds to the Arts and Crafts period (literally "Arts and crafts", movement born in the United Kingdom, Anglo-Saxon competitor of French and Belgian Art Nouveau). We identified a "GBM" marking. As for the condition, note that the silver metal is worn in places, small dents on the handle, the fixing system for the handle is missing, the handle support is slightly distorted. We report small scratches. However, the whole remains presentable but not perfect. Our photos allow you to appreciate the quality of the object. For the condition, please detail the photos. Feel free to zoom in. The photos are an integral part of the description. Dimensions: Height: 35 cm Width: 25.1 cm Depth: 14.1 cm - Teapot Height: 21.5 cm
